

SUNVIEW HOUSE

"Providing a healing atmosphere, demonstrating Christian Science while meeting the practical need."

Sunview House warmly offers:

- Around-the-clock skilled Christian Science nursing care that's individualized, caring for a variety of needs while supporting healing.
- Complete bed-care and bandaging.
- Nutrition/modification made fresh in home.
- Two beautifully appointed and equipped nursing rooms.
- Accomodating Christian Scientist until the need is met with no time restraint, while relying on Christian Science for healing and who are working with a Christian Science Journal listed practitioner.
- Guest room for family and friends when visiting from out of town.

*Testimonials available upon request

"A new command I give you: Love one another. As I have loved you, so you must love one another." - John 13:34
